

# May Half Term Newsletter

This half term has been lots of fun. We have been up to so much from a cinco de mayo party where the children got to hit a pinata to lots of messy play fun.

We had some new children join our setting and all the children have welcomed them with open arms and we have loved having them be part of Blossoming Buddies.

We have also had a very cute arrival to the Blossoming Buddies team Louise had her baby. A gorgeous little girl. We are hoping she will come in to see us all after the half term as the children are very excited to meet her new baby.

## Some of the children's favourite activities

The children really enjoyed the static energy balloon activity, they enjoyed seeing the butterflies wings flap but what really got them all giggling was how the balloon made their hair stick up.

The children are really engaging in our circle time games, especially when we go on an adventure, to the jungle or flying through the sky.

## Term dates

**6<sup>th</sup> June 2022 – 20<sup>th</sup> July  
2022**

**We return on  
September 5<sup>th</sup> 2022**

## What we have planned.

We have invested in some lovely resources for the children to explore after observing what they all enjoy and what will be beneficial to their development.

We have sensory mats, textured for walking on and colourful liquid ones. We have an indoor climbing frame and trampoline as well as a sea saw, large caterpillar tunnel and lots more. These all give a great opportunity for the children' sensory and physical development which in turn helps develop their communication and language.

## Local activities and outings in the half term
